## **POW/MIA DAY**

**September 15, 2023, POW/MIA Day**

This is a great opportunity for you to bring the community together and educate the youth, having a Missing Man Ceremony.

Have a BBQ, invite the boy or girl scouts to assist, ask the post to assist in the POW/MIA Table with the different branches of the Military.

## **#MORETHANLETTERS**

Remembering that POW/MIA/KIA are not just letters and educating those around you daily that the flag means more than just flying it,

**"It means Honor, Courage, Freedom, and Respect."**

## **Gold Star**

**September 24<sup>th</sup>, 2023**

On this day we honor the families who have lost family members. A luncheon and inviting these families and letting them talk of their experience and loss. This can bring such pleasure and hope to these families knowing their loved ones are not forgotten.
