## "Buddy Poppy"

As we get into our Holiday season, let's remember to distribute and educate our community about the "Buddy" poppy. Remember we do not sell the "Buddy" poppy but we are grateful for the donations that go to help Veterans and their families.

Remember after your "Buddy" poppy event to report on the Dept. website and fill out a National Program Award #1 entry form found on MALTA. Send it to me as soon as it is done-don't wait until the last minute. Please send any flyers, brochures or social media posts that you used to promote the event.

You can email or snail mail to me @
