## What are the 5 Essentials to maintain your Auxiliary?

These items listed below are the bare minimum you must accomplish to be an Auxiliary in Good standing! There are many more goals that you must do to be a healthy Auxiliary. We all want to do more than the minimum because we want to make the Circle of Champions! Every Auxiliary can make the Circle of Champions so let's get going! Check your list of goals for the Circle of Champions.

1. Auxiliary must have at least 10 Paid members before Feb. 1<sup>st</sup> of each current year (Sec. 207)
2. Hold at least 10 business meeting in a calendar year with a quorum of at least 5 members (Sec. 210)
3. Up to date submission of quarterly audits by trustees (Sec. 814)
4. Officers must be elected, installed and an installation report filed with National Headquarters by June 30
5. Offices of the President & Treasurer MUST be bonded by August 31

**Good Luck**

## Mentoring & Technology!

### How many of you have been on Malta and are comfortable navigating around it???

First question- where is Malta? Is it an island in the Bahamas? Not exactly, MALTA is located on the VFW Auxiliary website. You must set up your log in. You will need your Member ID number and then create a password. Some of you are saying **REALLY???** I was helping at an installation this past spring and the new incoming President had no clue what I was talking about when we were talking about getting a copy of her membership card. Mentors- here's my challenge to you.. Teach all your members about MALTA and how to navigate the site.

Did you know you can take a screen shot of your membership card on MALTA and save it to your photos on your phone? The majority of us do not go anywhere without our phones so you will always have your card with you. (Save it under favorites for easier search.) While you're there check out the Resources section! There is a lot of great info hiding there!

you to grow !***
