NEWS NEWS NEWS

Now that everyone is preparing to visit all the schools in their prospective areas. I want all of you to remember that even though our focus is currently on *Voice of Democracy* and *Patriots Pen*

we could also be gearing up for our

Creative Patriotic Art & 3-Dimensional Art contests along with

Continuing Education Scholarship!

So plan ahead: Take applications for EVERYTHING with you. And make sure that you deliver the appropriate applications where they need to be. Talk to the art teachers and student councilors I know they want to be as excited as you for the opportunity we are offering their students.
