Freedom Rides

How Are Your Fundraisers!

Here's a fun one!

Everyone has some old books lying around that they don't plan on reading, right? Instead of just collecting dust, why not turn those books into funds for your nonprofit organization. A book sale or a rummage sale is an inexpensive way to raise money for your program

Here's how it works:

1. Start by asking all your members to collect books from their homes as well as from their friends and families. Each member should try to collect at least 10 books.
2. Price them for a fair amount (or accept sliding donations) and make your book sale a fun event. This is also great for children of all ages. Maybe even have a corner to read to the children.

(Youth Program)

“The Triple Crown Winner is”?

Who will be the overall winner of the Triple Crown? Remember to qualify for the trophy donations must be \$1600.00 or more.

Thank you to all the Auxiliaries who participated in the “Parade of Checks” at “Fall Round-up” we had a great turn out.

At Mid-Winter we will be competing with the post side, with, “Pass the Hat” we are going to see which side can raise the most money for “Freedom Rides”
