

EXTENSION & REVITALIZATION

Revitalization

National President's motto "Be The Lighthouse In Somebody's Storm" and Department President's motto "Bridging the Gap for our Veterans" mean so much when we are talking about Revitalization.

When an Auxiliary is struggling and just trying to maintain, they are not able to do what we are here to do and that is to help our Veterans.

It is very important that we are able to quickly determine the Auxiliary is a "Yellow Flag", just in need of some mentoring (Performance Improvement Plan). If these Auxiliaries are not identified in time, it could lead to a "Red Flag" where Suspension is needed. If you are a part of an Auxiliary or know of an Auxiliary that is a "Yellow" Flag, please reach out to Department or me as soon as possible. No matter how little or big you feel it is.

Our goal should be to make sure we do everything we can to ensure our Auxiliaries are staying healthy.

What can we do to help keep Auxiliaries with a "Green Flag"? Here are some ideas:

- Know and understand your Bylaws
- Utilize Building on the VFW Foundation
- Host a fellowship dinner at the Post
- Say THANK YOU, often
- Remember, we are all volunteers here for a fantastic cause.
- Listen to your members, they need to be heard too.
- Create an idea board, for all members to use.
- Make EVERY MEMBER feel welcome.

Now I want to hear YOUR ideas!! Make sure to email them to me.
