

AUXILIARY OUTREACH

AUGUST 2025

The Department's goals this year for Auxiliary Outreach are :

- 1) BUILDING PARTNERSHIPS
- 2) INCREASING AUXILIARY PARTICIPATION IN OUTREACH.

The heat is on, Florida. I'm not talking about the outside temperature! I'm talking about getting those partnerships established in the Community to get your Auxiliary Outreach program started. Have you established WHICH group you want to partner with? Have you discussed and voted on it in an Auxiliary meeting? Are you getting LOTS of Aux Members involved?

AUGUST EVENTS:

10th National Spoil Your Dog Day.

16th International Homeless Animals Day.

21st Senior Citizens Day

Maybe these August events above will give you some ideas. Talk to your local animal shelter. Do they need Volunteers for any projects they have going? Maybe they're having a Neuter/ Spay Day or a Vaccination Day that you can volunteer to help out. How about those doggy day care facilities in your area? I'm betting they could use help with walking their "guests" or helping clean out kennels, water and food bowls, etc. And what about the Senior Citizen groups around you? They have TONS of events they need

Volunteers for. Bingo, Dinners, Trips..... GET THOSE IDEAS FLOWING AND GET LOTS OF MEMBERS TO HELP!

NO \$\$\$! YES HOURS ! REPORT IT!
