

Presidents Special Project

JULY 2025

Veterans Village

It takes a team To build a bridge
So lets build that bridge!

The Mission Behind VETERANS VILLAGE

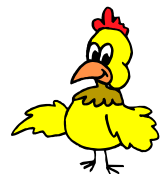

Our Guiding Principle is to offer affordable, comfortable and independent living accommodations to our Veterans of Foreign Wars, Auxiliary members, spouses, widows, and honorably discharged personnel as determined by the VFW Veterans Home. We are committed to providing a home-like atmosphere to those who have sacrificed and shown their loyalty and patriotism by serving our country.

Adopt-A-Room

You Donate \$500 and the money is placed in an account for that room when repairs are needed the money is readily available. If you would like to replenish the fund you can. If your auxiliary chooses not to replenish the account, it opens up for another post or auxiliary to adopt.

Chicken Coop with Chickens

One special project that the residents want is a chicken coop and chickens. The current coop at Veterans Village is close to the wooded area and they are unable to keep wild animals from getting into it. They would like to have a new one closer to the building and more secure.

Have your Auxiliary to assist with weekly Bingo, Ice Cream Social and bring special gifts for the residents

All Funds donated to this year's Presidents Special Project will go to Veterans Village.
Please write in the memo line Presidents Special Project, PSP or Veterans Village.
