

AUXILIARY OUTREACH

FEBRUARY 2026

**HEY THERE FLORIDA!
HAPPY VALENTINE'S**

Time is getting short! Let's get to work finishing up those OUTSTANDING Auxiliary Outreach Partnerships!

Here's some ideas for this month:

February is Black History Month. What are some of the places/groups in your area that hold events and celebrations? How can you partner with them?

Feb. 2nd is National Homemade Soup Day. How about seeing what your area homeless shelters/soup kitchens are doing that you can partner with?

Feb 14th is, of course, Valentine's Day. Plenty of schools and churches have celebrations / parties they could use help with.

Feb. 19th is Coast Guard Reserve's Birthday and also Random Acts of Kindness Day. What better way to Build Bridges into the Community and Shine Your Light in Someone's Storm, than to partner with local Veterans' retiree / assisted living facilities to show some kindness and help them be remembered.

Mid Winter Conference will be happening SOON!! We'll talk more on ideas of HOW / WHAT / CORRECT REPORTING then. I look forward to sharing with you some of the SUPER reports I've been receiving! **SEE YOU SOON, FLORIDA!!**
