“Champion for Veterans” with “Hands that Serve, Hearts that Care”

Respect the Flag **Engage the Community**

We all love to see the red, white and blue flying high on a pole. It reminds us of all the men and women who have made so many sacrifices for our great country. If you go by a business or a house and see a flag flying, stop and thank them.

Present them with a Patriotic Certificate. If you see a tattered/worn flag, ask if you can replace it. If funds do not allow ask them if you can take the flag and retire it properly. Invite them to the retirement ceremony and have them invite their children and/or grandchildren.

Let us teach everyone respect and honor for our flag that so many fought for.
