

Mentoring for Leadership

VFW Auxiliary Department of Florida

Volume 23, Issue 1 June 2022

Wanted-This year we will be seeking to find Mentees within our organization and develop their skills at all levels. Do you want to learn more about our organization? Please plan on attending Boot Camp August 5-6 2022 for a Special Mentoring program full of info & ideas!

Program Goals:

- Make Sure All Members Experience Are Positive
- Create Learning and Training Opportunities for all Levels
- Develop and Enrich Members for Future Leadership Roles

This year all Auxiliaries should hold a training event to help mentors find their perspective Mentees. This will help our members grow in areas of their interest. Finding the new mentees will help them learn and plug their skills in the best programs of our organization. It will help all of us find our *Hot Buttons*!

There will be a special award in each of the 4 membership classes for a unique activity or training in the Auxiliary to show members how to find and train mentees.

Best Buddies

...

New this Year!!

Does your Auxiliary have a Best Buddy? You're probably asking what I'm talking about, or has she gone crazy! This year each Auxiliary, and District should have a Best Buddy. What's a Best Buddy you ask?....a Best Buddy is someone that loves to meet new people and make friends. This person should regularly attend meetings and not hold an office that has specific seating (such as Chaplain). They can also be your Mentor.

The Best Buddy main role is to greet and sit with all new members when they attend your meetings. They should show them the podium book and let them follow along with the book. The Buddies should help the new members with the raps of the gavel, and generally what is going on in the meeting. Please attend the Boot Camp in August for plenty of details!

Stay tuned for Molly the Mentor Super-Star!!
