Military Sexual Trauma Awareness Week

The VA works to raise awareness for Military Sexual Trauma Awareness not only during April which is Sexual Assault Awareness Month but every day of the year. So we have designated February 11-17, 2024 as VFW Auxiliary Military Sexual Trauma Awareness Week.

We are asking each Auxiliary to hold a function involving the community with proceeds to the Department President's Special Project.

Involve the community with events such as:

- Motor cycle runs
- Distance Walk/run
- Rock-a-thon or bowl-a-thon

Let the community participate by riding, walking, etc. Have participants get donors for each mile rode, walked, time rocked, frames bowled, etc. Get sponsors to help offset cost of the event so the proceeds can go to the Special Project. Start planning now!
