

Happy Valentine's Day

Buddy Poppy/National Home

Issue 2425 Volume 9

February 2025

Tired of giving candy and Flower?

Here are some fresh ideas.

Give the gift of a Life Membership to the National Home for Valentines day.

Buy a brick for the walkway from the National Home and present the certificate that goes with it to your Valentine. The bricks pave the way to the National Home and monuments.

Use money from the relief fund to become a Home Town Hero and make monthly donations for as little as \$10.00 a month. This money is used to support the home in many ways.

Make a Buddy Poppy Valentine Wreath and have a Raffle. Use the money to support local veterans in their time of need.

Valentine's Day is on Friday, February 14th. Use that weekend to do Buddy Poppy Drives and Educate people about the need of taking care of our veterans and their families that are left behind to take care of the home front.

Start talking to your local stores and churches about doing a buddy poppy drive along with educating people about the national home. Remember you don't have to be a VFW member or auxiliary member to donate to the VFW National Home. You only have to have the want to take care of the people that fight for our nation.

Wear a buddy poppy everyday and if someone comments on it give it to them and explain what it is about?
