# Auxiliary Outreach

June 2022

Volume 23

Issue 1

## Start the Year Off on the Right Foot

This relatively new Program has been challenging for members, but is really quite simple. It all boils down to ***volunteering!*** This first Newsletter will walk you through the do's and don'ts of this program.

## What Does Qualify vs. What Does Not Qualify as Auxiliary Outreach

<b>QUALIFIES</b>	<b>DOES NOT QUALIFY</b>
<b>Volunteering</b> in homeless shelter kitchen serving meals, bussing tables or cleaning up.	Donating trophies to a youth sports group.
<b>Partnering</b> with police or fire Department on bicycle or home safety training classes.	Hosting a luncheon/dinner for local community groups or police/fire/first responders
<b>Approval</b> on Auxiliary floor to volunteer (pass out water, help register, etc.) a local cancer group setting up their local "walk-a-thon".	Sending an Auxiliary check to support a charity that organized a walk-a-thon or run.
<b>Volunteering</b> with local agencies to clean up local parks or beaches.	Collecting clothing or other items for homeless veterans at the Post Home (this is <b>Veterans &amp; Family Support</b> ).
<b>Partnering</b> with a group (boy scouts, girl scouts, etc.) to collect food donations for local food pantries.	Taking comfort items to local shelters, rehab centers, hospitals, etc.

This program is all about **volunteering and partnering**; it is **NOT** about donating money or items – you are partnering and giving of your time!

Remember that any project that can be reported under any of our other Programs is **NOT** reportable under Auxiliary Outreach!

Follow these simple steps and you will have a successful program year!!

# Mentoring for Leadership

VFW Auxiliary Department of Florida

Volume 23, Issue 1 June 2022

**Wanted-This year we will be seeking to find Mentees within our organization and develop their skills at all levels.** Do you want to learn more about our organization? Please plan on attending Boot Camp August 5-6 2022 for a Special Mentoring program full of info & ideas!

## Program Goals:

- Make Sure All Members Experience Are Positive
- Create Learning and Training Opportunities for all Levels
- Develop and Enrich Members for Future Leadership Roles

This year all Auxiliaries should hold a training event to help mentors find their perspective Mentees. This will help our members grow in areas of their interest. Finding the new mentees will help them learn and plug their skills in the best programs of our organization. It will help all of us find our *Hot Buttons!*

There will be a special award in each of the 4 membership classes for a unique activity or training in the Auxiliary to show members how to find and train mentees.

## Best Buddies

•••

*New this Year!!*

Does your Auxiliary have a Best Buddy? You're probably asking what I'm talking about, or has she gone crazy! This year each Auxiliary, and District should have a Best Buddy. What's a Best Buddy you ask?....a Best Buddy is someone that loves to meet new people and make friends. This person should regularly attend meetings and not hold an office that has specific seating (such as Chaplain). They can also be your Mentor.

The Best Buddy main role is to greet and sit with all new members when they attend your meetings. They should show them the podium book and let them follow along with the book. The Buddies should help the new members with the raps of the gavel, and generally what is going on in the meeting. Please attend the Boot Camp in August for plenty of details!

Stay tuned for Molly the Mentor Super-Star!!
