Using the Bond

In the event that a shortage is discovered the following process should be followed:

1. Contact the Tallman Insurance Agency at 816-753-2345.
2. Follow through with any instructions that the Tallman Insurance agency gives.
 - National Headquarters is not involved with the handling or use of the bond. All questions should be directed to the Tallman Insurance agency.

Bond Tips:

- Bonds cover the offices of the President and Treasurer and not the individual holding the office. This means if there is a change in the individual holding the office; the new individual will automatically be bonded.
- Bonds only cover dishonest acts that have occurred within the past 12 months.
- Proof of dishonest acts on the part of the President and/or Treasurer are required in settlement of a claim.
- Losses resulting from burglary by an outsider, fire, flooding, etc. are not covered under the bond.
- The master insurance policy is on file at National Headquarters.
- Applicable Bylaws must be strictly complied with.
- The Treasurer shall hold all funds and securities in a FDIC or equivalent Banking Institution in the name of the Auxiliary (including such funds as the Hospital Fund).

Bingo and other gambling funds are not covered under this bond. If your Auxiliary has gambling operations, you should bond the individual accountable for the gambling funds through a separate policy. To obtain a quote on group rates, you may contact Tallman Insurance Agency at 406 West 34th St., Suite 806, Kansas City, MO 64111, or call them at 816-753-2345.

Tax Information

See www.irs.gov to access forms & for further information.

Federal Employer Identification Numbers

- A Federal Employer Identification Number (EIN) is a nine-digit number assigned by the IRS for filing and reporting purposes.
- An Auxiliary will need to obtain an EIN in order to open a bank account, pay wages, or apply for tax-exempt status.
- Auxiliaries should not use the Department EIN or the VFW Post's EIN.

Applying for a Federal Identification Number

- Application may be made for an EIN by completing and submitting **Form SS-4** to the IRS.

IRS Form 8822-B

When a new Treasurer takes office, he/she will need to file IRS form 8822-B within 60 days of assuming office. By filing this form with the IRS you are notifying the government of a change in responsible party for the Auxiliary.

This form may be found in the Treasurer Resources area in MALTA. Please refer to the top of page 8 on how to locate this area.

The image shows the IRS Form 8822-B, titled "Change of Address or Responsible Party - Business". The form is for the year 2015 and includes instructions for filing. It contains several sections for providing information:

Exemption from Federal Income Tax (Group Exemption)

- Each Auxiliary should qualify for federal tax-exempt status under a provision of Section 501(c) of the Internal Revenue Code. Section 501(c)(19) pertains specifically to war veterans organizations and their auxiliary units.
- A Group Exemption Letter is a determination letter issued to a central organization recognizing the exemption of subordinate organizations on whose behalf the central organization has applied for recognition of exemption.
- In our case, this would mean a group exemption for each **Department** under which Auxiliaries and Districts will be covered.
- You may request a copy of the Group Exemption Letter from your Department Treasurer.
- National Headquarters does **NOT** maintain a Group Exemption.
- You can find more information about Group Exemptions from IRS Publication Number 4573.
- If your Auxiliary chooses not to participate in the Department's group exemption and does not already have an individual determination letter from the IRS recognizing your organization as tax exempt, you will need to file IRS Form 1024 and Form 8718 with the appropriate fee to be recognized as tax exempt.

Tax Return – Form 990-N e-postcard

*Please note: The 990-N e-postcard User Guide can be found in the Treasurer Resources area in MALTA. Please refer to the top of page 8 on how to locate this area.

- Auxiliaries whose gross receipts are normally **less than or equal to \$50,000** may be required to electronically submit Form 990-N, also known as the e-Postcard.
- The e-Postcard is due every year by the 15th day of the 5th month after the close of your tax year. This means **the e-Postcard is due by November 15th**.

Updated July 2021

- The e-Postcard is filed electronically and can be found online at <https://sa.www4.irs.gov/epostcard/> . This is the only way to access the e-Postcard -- there is no paper form.
- To file the e-Postcard, the auxiliary must become a registered user.
- The e-Postcard is easy to complete. All you need is the following information about your Auxiliary:
 1. Employer Identification Number (EIN), also known as a Tax ID Number
 2. Tax year - This will be July 1 to June 30 for all Auxiliaries
 3. Legal name and mailing address of the Auxiliary
 4. Any other names the Auxiliary uses
 5. Name and address of a principal officer -- Usually the Treasurer
 6. Website address if the Auxiliary has one
 7. Confirmation that the Auxiliary's annual gross receipts are normally \$50,000 or less. Gross receipts are the total amounts the Auxiliary received from all sources during its annual accounting period, without subtracting any costs or expenses. *****Do NOT** include any "pass-thru" amounts such as Cancer Aid & Research/Health & Happiness Donations, Cancer Insurance Premiums, etc. where funds are merely collected and sent on without the Auxiliary asserting any right to use the funds or otherwise deriving any benefit from collecting them.
- Auxiliaries whose annual gross receipts are normally **more than \$50,000** must file an annual information return Form 990 or Form 990-EZ.
- State filing requirements may differ, therefore, the Auxiliary may still be required to file Form 990, Form 990-EZ, or a state form even though it is not required to file with the IRS.

It is recommended that if you have questions regarding what forms need to be filed to the federal government or state government, that you contact a local tax advisor.

Updated July 2021

Form 990-T: Exempt Organization Business Income Tax Return

- Even after obtaining a tax-exempt determination from the IRS, there still may be situations in which Auxiliaries are subject to federal income tax.
- Unrelated business income is the gross income derived from any activity that is regularly carried on and not substantially related to the organization's exempt purpose or function (aside from the organization's need for income or funds or how it uses the profits.)
- While the IRS considers many factors in determining whether the activity is an unrelated trade or business, an important factor is the degree to which the activity unfairly competes with taxable businesses.
- Any tax-exempt organization that has gross income from an unrelated trade or business of \$1,000 or more must file Form 990-T to report the unrelated business income and to figure the income tax liability. Please refer to IRS Publication 598 - Tax on Unrelated Business Income of Exempt Organizations provide more detailed explanations of the regulations.
- The Internal Revenue Code contains a specific provision exempting bingo proceeds from unrelated business income tax, whereas state and local law permits non-profit organizations to hold such games.

Exemption from State Sales Tax

- Each state has its own laws relating to exemption from sales tax. Please contact your State Revenue Office or your Department Treasurer with any questions regarding sales tax in your state.
- Although a Department or Auxiliary may be exempt from paying state sales tax on purchases, they may still be required to charge sales tax on sales to non-exempt organizations or individuals, and remit the sales tax collected to the state.

- If your Auxiliary has sales, you should investigate your state's laws regarding charging sales tax and those sales taxes are properly collected and remitted to the state.

Payroll Taxes

- If your Auxiliary has any paid employees, you have the obligation to withhold and submit federal, state and local income taxes, and pay social security, Medicare, and unemployment taxes.

W-9 Information

Please note: W-9 form and instructions can be found in the Treasurer Resources area in MALTA. Please refer to the top of page 8 on how to locate this area.

Each organization is required to submit a W-9 form only one time to National Headquarters unless:

- The organization changes EINs.
- The organization gains/loses tax exempt status.

Auxiliary Audits

Please note: Audit forms and instructions can be found in the Treasurer Resources area in MALTA. Please refer to the top of page 8 on how to locate this area.

Direct Deposit/ACH

Please note: ACH Authorization form can be found in the Treasurer Resources area in MALTA. Please refer to the top of page 8 on how to locate this area.

In an ongoing effort to "go green" and save every level of the organization time and money, National Headquarters will only issue funds via "Direct Deposit" or ACH instead of printing and mailing paper checks. This will ensure that money from National

Headquarters is deposited immediately into your Auxiliary, District or County Council's bank account. No paper checks will be issued.

If your Auxiliary changes bank accounts, the Treasurer may log in to MALTA and update the bank account information for the Auxiliary by clicking on "**Bank Account**". If the Treasurer updates the bank account information through MALTA, then NO paperwork will need to be submitted to National Headquarters.

OR

The Treasurer must fill out a blank ACH Authorization Form and attach a pre-printed voided check for the new bank account to the form. If a voided check is not available, a letter from the bank on the bank's letterhead indicating who is the new legal account holder, the routing number and account number, would be acceptable. These items would need to be immediately sent to the VFW Auxiliary National Headquarters office to the attention of the Accounting Department.
