

AUXILIARY OUTREACH

“STAND UP, SPEAK OUT”
VOLUME 23-24. ISSUE 9

“BANDING TOGETHER FOR OUR VETERANS”
JANUARY 2024

HAPPY NEW YEAR!

It's a brand-new year!

Let's reach for the sky to help those in need. Time to roll up our sleeves and volunteer in our town and communities.

Here in the sunshine state, we can help runners participate in cancer runs winter and summer. How can we help?

- Hand out bottled waters
- Hand out snacks
- Signing them up for the race
- Be a spotter

All we have to do is reach out there, and help non-profit cancer organizations, let them know we're here to help ensure their successful event.

This is only (1) of many ways you can help, read my other promotions.

A special award for (1) auxiliary in each membership group who volunteers the most auxiliary community hours with another non-profit organization.

Count the many ways we can reach out and help!

- First Responders
- Churches
- Towns
- Disaster Relief
- Cancer, Heart, ALS Assoc, etc.
- Community Centers

Your Check off List:

- Have you found a non-profit partnership?
- Did you bring it to your Auxiliary, vote and get approval by membership?
- Did your secretary record it in the minutes of the meeting?
- Did your members work with a non-profit partnership?
- Did you report on the Department website?
- Wear some type of auxiliary attire and report all hours worked?
- No money or in-kind goods involved, and no splitting hours with another program.
